SS22 Collection by Bolia

An invitation from nature

Spring is finally here. With all its refreshing colours, blossoming greenery and the light we have longed for. The New Spring Collection by Bolia offers a light and sensuous design universe that draws a clear reference to the vivid Scandinavian nature and its hopeful and optimistic spring season.

The new designs in Bolia's SS22 collection create a calm and optimistic atmosphere. The collection includes outdoor furniture, handcrafted armchairs, storage systems, lamp series and new additions to existing series. All designed by talented designers from around the world, who share Bolia's passion for creativity and longevity. With durable craftsmanship perfected by hand and tailor-made specifically for the customer, every design is made to last for generations.

Spring brings a new energy, fresh and inspiring, that calls for beautiful moments outdoors and bringing nature all the way into your home. The Bolia Spring Collection is an invitation to outdoor living, with many new outdoor designs, such as the Track Outdoor table and bench, the Seed Outdoor chairs and the Como and Drum Outdoor coffee tables. Designed with comfort and tactility in mind, these designs are built from quality materials to withstand wind and weather.

The interior collection has been expanded to include three new armchairs with outstanding comfort: Bowie, Visti and Elton - a line extension to the Elton sofa series by Glismand & Rüdiger.

Handcrafted by some of Europe's finest craftsmen- and women, and designed by Italian Skrivo and Studio Nooi, Bowie and Visti are inspired by mid-century Scandinavian classics. Both are made of FSC® certified solid oak (FSC® C165124), with a seat upholstered in a STANDARD 100 by OEKO-TEX® certified fabric. Chosen by you.

Every new design is inspired by nature and brought to life in a fresh and refined expression, characterised by the calm colours of nature's ever-changing seasons. A new, inspiring collection built on the beautiful honesty of the Scandinavian design heritage.
