

Bolia x Steelcase

5 years of worldwide collaboration

In November, Bolia celebrates five years of collaboration with Steelcase, the leading manufacturer of office furniture. Bolia's Scandinavian heritage complements Steelcase's extensive portfolio and together the two companies are transforming offices around the world into creative and inspiring places to work.

Steelcase and Bolia share a mutual belief: the modern workspace should be creative, flexible and welcoming. Since 2017, the two companies have been working together to create inspiring work environments. Indeed, Steelcase offers its customers around the world an exclusive collection of Bolia designs, including sofas, armchairs and tables. Bolia benefits from the brand's extensive network of dealers and customers worldwide and has exclusivity on the office, healthcare and education sectors, while adding a Scandinavian touch to its collections.

"For five years, we have transformed office landscapes around the globe into creative, inspiring places to work. Together, we have created modern workspaces that combine spheres and blur the lines between work and private life. We want to thank Steelcase for all the beautiful projects and amazing results. We look forward to continuing our exciting journey together," explains Mette Breindahl Nørremark, Head of Wholesale at Bolia.

The Bolia collection is part of the Steelcase line with its original designs, revealing the brand's Scandinavian tradition. The collaboration covers everything from furniture to accessories. Meanwhile, Bolia and Steelcase maintain a close and constant dialogue on how Bolia products meet the needs of Steelcase customers, and on the opportunities to develop additional modules.

In collaboration with Steelcase, Bolia products can be found all over the world. Together, the two companies have successfully transformed offices around the world into modern spaces of creativity and inspiration, combining their heritage and knowledge of their respective markets and competencies.
